Record Breakers!/Ignite Holiday Clubs: data protection

At registration we take the name, address, DOB, and parent/carer name, mobile/tel and 'other' details so we can:

- Contact parents/guardian in the event of a problem
- Know who is at the holiday club so we can run the club safely and efficiently
- Tell the parent/guardian about future holiday clubs and similar activities
- We take some photos of the children to show the activities to parents at the Wednesday Family Fun event.
